

... A Pot Full

OF MONEY STARTS THE AER DRIVE—Jumping the gun by one week, Berlin Command's four sergeant-majors drop the initial Army Emergency Relief Fund Drive contributions into a steel pot held by Captain Robert R. Rafferty, campaign chairman. The sergeant-majors are Carlos Leal, BC; Lester Edgar, 2nd Battle Group; Milton H. Weinstein, 3rd Battle Group, and John Clark, Special Troops. Although no definite goal has been set, it is hoped that each person in the command will contribute at least one dollar. The drive starts officially on pay day. —US Army Photo
