

PARENTS OR GUARDIANS, PLEASE READ

If a pupil receives **E** or **F** on any subject it should be a matter of immediate inquiry, possibly it is to be attributed to a lack of study, to too many outside engagements, irregularities in attendance, or some cause which may be removed.

Special attention is called to the serious consequences of **Irregular Attendance**. It is important to remember that the loss of even a portion of a school session often proves to be a serious interruption to progress, and tends to produce a lack of interest in school work. Excuses showing good cause for absence or tardiness should always be sent promptly to the teacher on the return of the child to school. Neglect of this will cause the child to be sent home after the excuse.

We suggest that you talk over the report with your child each time it is received, and if it has any peculiar needs which are indicated to you by the marks on the card that you confer with the teacher and superintendent regarding it.

If parents would show their interest in the child and school by occasional visits at the school, it would prove a great source of inspiration and help to both pupil and teacher.

Your hearty co-operation is solicited in the endeavor to secure the best development of your child.
